

Retention Policy Review - Evidence Note

DEMO ATTACHMENT - FAKE DATA ONLY

Field	Value
Demo site	Site 71 - Valencia Data Operations Center
Certification ID	33
Inspection date	2026-04-02
Prepared by	Mediterranean Safety Review
Document status	Training sample

Scope

Review of document-retention rules for inspection records, client communications, and archived evidence.

Observed evidence

The active retention schedule was available to operations staff, but exception-handling steps were not consistently documented.

Two older evidence records lacked a clear disposition note explaining whether they should be retained or archived.

Suggested follow-up

Add a short retention exception checklist and assign an owner for quarterly review.

This document is intentionally fictional and should be used only for local demo/tutorial data.
